APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This temporary permit to change the point of diversion of a portion of Claim No. 230 of the Carson River as heretofore granted under the Final Carson River Decree No. D-183, in the District Court of the United States in and for the District of Nevada, is issued subject to the terms, conditions and irrigation period imposed in said Final decree and with the understanding that no other rights on the source will be affected by the change proposed herein.

This temporary permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this temporary permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

This temporary permit is issued pursuant to the provisions of NRS 533.345 Section 2 and will expire on December 31, 1999 at which time all rights herein granted shall revert to the right being changed by this temporary permit.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed sufficient water for the irrigation of 106.0 acres at the decreed duty as set forth in the Carson River Decree.

Work must be prosecuted with reasonable diligence and be completed on or before:

Proof of completion of work shall be filed before:

Water must be placed to beneficial use on or before:

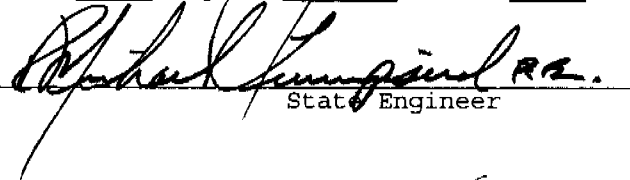

Proof of the application of water to beneficial use shall be filed on or before:

Map in support of proof of beneficial use shall be filed on or before:

IN TESTIMONY WHEREOF, I, R. MICHAEL TURNIPSEED, P.E.,

State Engineer of Nevada, have hereunto set my hand and the seal of my office,

this 18th day of August, A.D. 1999

  
State Engineer

TEMPORARY

EXPIRED

Response to No. 6:

The existing point of diversion is located within the SW1/4 SE1/4 of Section 31, T.13N, R.20 E., M.D.M., Island Ditch from the right bank of Home Stream, 250' below its head as decreed. Please note that the actual location of the Home Stream diversion was previously relocated from the decreed location due to hydraulic conditions within the river. The actual location of the diversion is as described in the response to No. 5, above.
